

Romanians and The Rules: That's How We Do It

Preview

We touched on three topics:

mainly road infrastructure,

and to a lesser extent, the public health system...

... and cleanliness

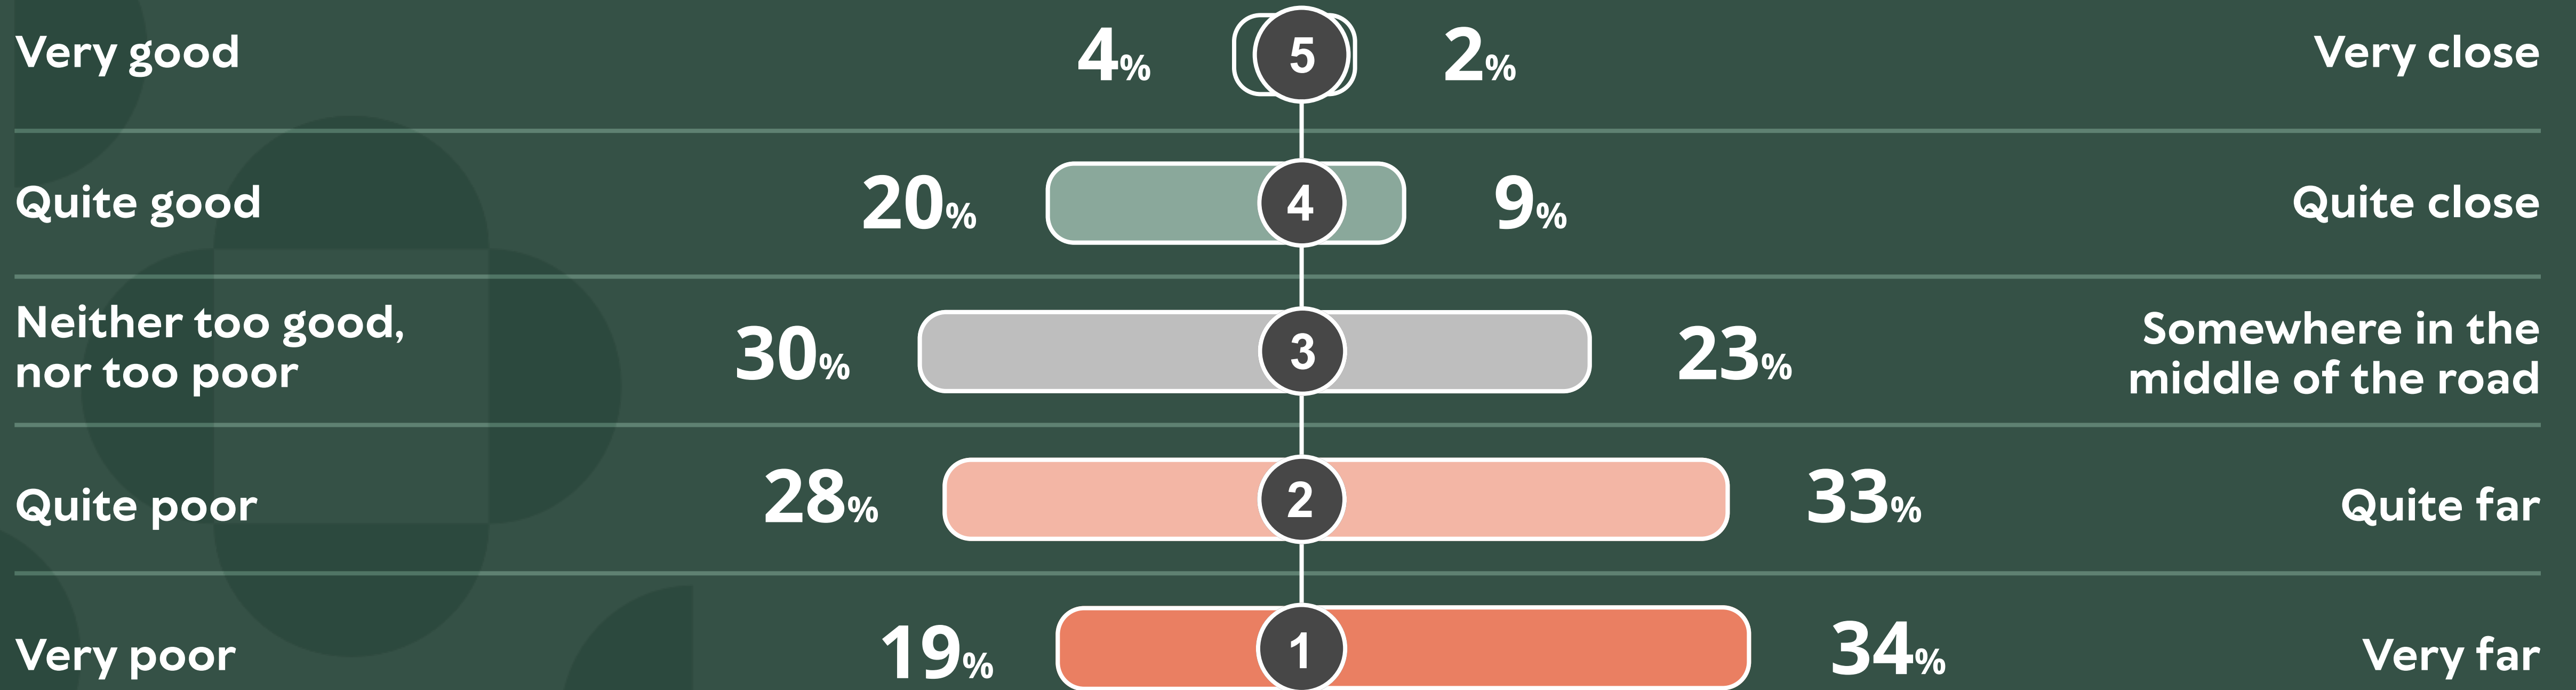

We also explored behaviors associated with these topics.

But, instead of providing definitive answers, we aim to provoke thought and inspire further exploration.

Romanian's roads condition perception

What do you think, in general, about the state of Romania's Highways?

How close to developed European countries would you say Romania is in terms of having an extensive road and highway network?

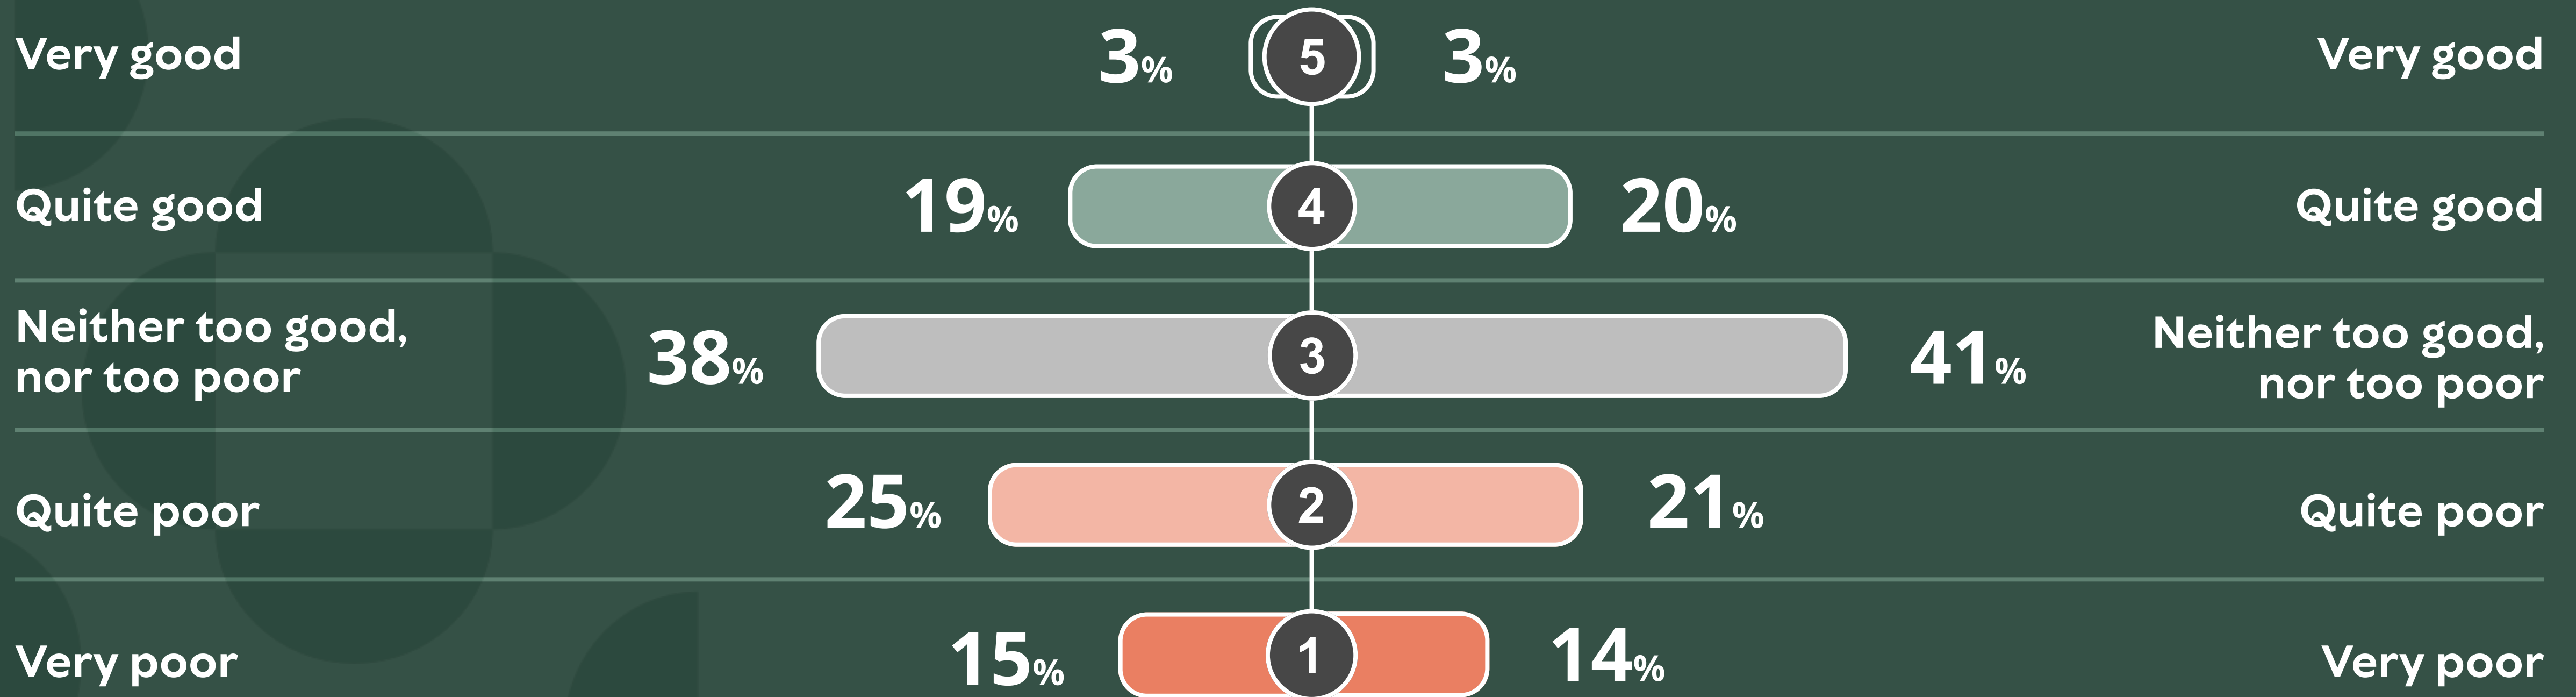

Romania's highway network... The bumpy road to freedom.

Overall, how would you rate the job that the Romanian Police is doing to ensure that the traffic...

In towns is as **SMOOTH** as possible?

OUTSIDE towns is as **SMOOTH** as possible?

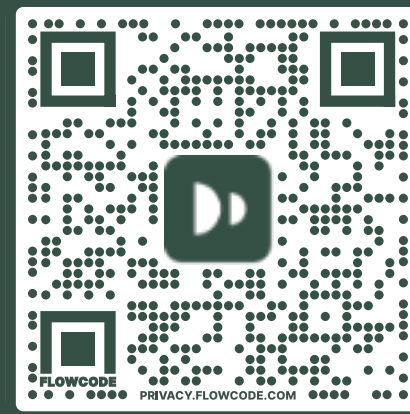

People are not particularly pleased with Police's performance in keeping the traffic flowing.

Romanians and The Rules: That's How We Do It

Are you curious about how your actions compare to those of others?
Are you ready to challenge your own assumptions?
Are you willing to seek inspiration in asking yourself potentially uncomfortable questions?
